

Mr. P. Gordon Stothart, EVP & COO

Gordon Stothart joined IAMGOLD in December of 2007 and brings over 20 years of industry experience to the position of COO. In his previous role, Gordon was responsible for technical management and development of three major copper projects in South America as well as oversight of the large scale Antamina and Collahuasi mines. Prior to this role, Gordon served as the General Manager and Operations Manager at Lomas Bayas in Chile and Antamina in Peru as well as holding Engineering Management positions at the Brunswick and Bell Mines in Canada. He also spent several years as a Manager within the Business Development group for a multinational metals producer and provided technical analysis for global acquisition opportunities. Gordon graduated from the University of British Columbia in 1987 with a Double Major in Mining and Mineral Process Engineering.
