

McArthur River and Key Lake Tour
Sunday, August 15
Be ready in the lobby: 6:45am

TOUR 1: MCARTHUR RIVER MINE / KEY LAKE URANIUM PROCESSING MILL TOUR

6:45	Meet in the Delta Bessborough Lobby
6:50	Bus departure to West Wind Aviation – Hangar #3
7:30	Departure flight <i>A light continental breakfast will be served on the airplane. Lunch is sponsored by McArthur River Mine.</i>
19:00	Drop off at Delta Bessborough

Important courtesy note: should you cancel at the last minute, please advise MetSoc or your Tour Leader so as to not delay the bus departure and other tour participants.

Do not forget your photo identification.

Dress attire: Wear slacks (no dresses, capris, shorts or skirts) and comfortable, flat, closed toe shoes. A jacket is recommended. Cool, wet weather, with muddy conditions could be encountered. Cameras or camera cell phones are allowed at the sites but cannot be taken into the solvent extraction area at Key Lake due to the explosion hazard.

McArthur River Mine & Key Lake Uranium Processing Mill

Visit two of the world's important uranium mines and metallurgical processing operations. You will fly to northern Saskatchewan to experience a land of lakes and pristine wilderness and tour these state-of-the-art facilities to gain a better understanding of the challenges of mining and milling of high-grade uranium ore.
