

# 24th Canadian Materials Science Conference

June 6 – 8, 2012

The University of Western Ontario, London, Ontario

## ABSTRACT SUBMISSION

Opens January 2012

## REGISTRATION

Opens January 2012

## CONFERENCE WEB SITE

[www.eng.uwo.ca/2012cmssc](http://www.eng.uwo.ca/2012cmssc)

*The Canadian Materials Science Conference is one of the oldest and most important meeting places for the Canadian materials science community.*

*The 24th CMSC will be held at The University of Western Ontario in London, Ontario and will have the theme: **Materials: Atoms to Applications***

*The CMSC organizers invite undergraduate and graduate students, faculty and industry partners to submit abstracts describing their leading-edge research in the following general areas:*

- **All materials** (metals/polymers/ceramics/composites)
- **Characterization** (properties/structures/interfaces)
- **Materials processing** (forming/casting/extraction/recycling)
- **Joining** (welding/brazing/soldering/adhesives)
- **Performance** (mechanical behaviour/fatigue/corrosion)
- **Novel materials and technologies including nanomaterials**
- **Modeling and simulation**

*Priority will be given to oral and poster submissions from students.*

***Best student oral and poster presentations will receive awards!  
Travel support for qualifying students is available!***
