EMC 2023 – Save the Date & Call for Papers – June 11 to 14, 2023, Düsseldorf

Dear Members and Guests,

please note: the upcoming **EMC** will take place from

June 11 to 14, 2023

in **Düsseldorf**, Germany.

The GDMB Society of Metallurgists and Miners invites to the European Metallurgical Conference, EMC 2023, the most important conference in Europe dedicated to non-ferrous metals.

It is particularly directed to metal producers, plant manufacturers, equipment suppliers and service providers as well as members of universities and consultants.

Call for Papers

Use the opportunity to participate in the EMC 2023 with your own lecture and to provide insight in your research and be part of this forum for international knowledge exchange.

EMC 2023 will be dedicated to:

On the way to the next industrial revolution - replacement of carbon-containing energy sources for metallurgical processes

Prospective authors wishing to present papers are invited to submit the title, the name(s) of the author(s) and an abstract of 250 to 300 words (in English) by June 10, 2022, the latest, to emc@gdmb.de

We look forward to your positive reply and to receiving an intriguing paper from you.

Nevertheless, we would very much appreciate if you could also pass this Call for Papers to interested colleagues of yours.

With best regards

Jürgen Zuchowski
